IT'S A PROTOTYPE MODEL TO TEST OUT MY NEXT REVISION.
YOU'RE GETTING IT SIZED HUH

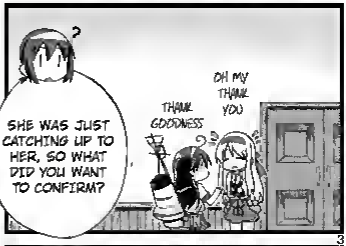
CAMOUFLAGE EFFECTIVENESS

SEVEN MYSTERIES OF THE BASE



IT'S ONE OF THE BASE'S SEVEN MYSTERIES!
THERE'S A RUMOR THAT THEY BOTH APPEAR TO BE GOING REALLY FAST WHEN USHIO-CHAN CHASES AFTER SHOUKAKU-SENPAI...
LOOKS LIKE IT'S NOT QUITE LIKE THAT IN REALITY
THAT'S SUCH A WEIRD RUMOR!

Note Ushio served as an escort to the damaged Shoukaku at the Battle of the Coral Sea. She was reportedly moving at an amazing rate to keep up with Shoukaku who was escaping at her top speed.

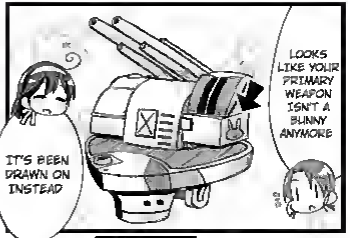
STICKERS

SHE SAID THEY WOULD COME OFF DURING CLEANING AND SERVICING OTHERWISE
THEY LOST SOME OF THEIR STICKINESS WHEN I READJUSTED THEM
LOOKS LIKE THE STICKERS ON YOUR RIGGING WERE CHANGED TO BE ON THE BELTS HUH

WHEN I RUN OUT OF SPACE I'M THINKING OF STICKING THEM ON MY CHIMNEY'S BELT TOO
BUT IT LOOKS LIKE THEY'RE PRETTY MUCH PACKED WITH THEM

It looks like sticker placement is a pretty important thing to her.

MAIN WEAPON



Destroyer Uzuki
IT MAY BE HER, BUT..
GOT IT-PYON!
I THINK UZUKI-CHAN WOULD TAKE YOUR ORIGINAL WEAPON ONCE YOU GET THAT SECOND REVISION.

Note Hibiki used Ushio's first gun turret when she was undergoing repairs in 1945

USHIO'S GROWTH

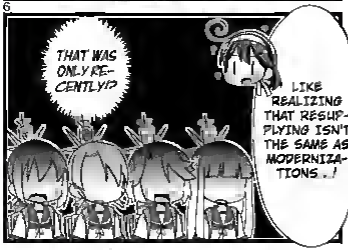
Repair Ship Akashi

WANT TO HELP

It seems that girls like Akebono-chan and Abukuma-senpai also get the desire to help as well

Note: Ushio rescued the entire crew of the USS Perch (as prisoners of war) after it scuttled itself. Sazanami was also in attendance.

GROWTH



STRENGTHENING PLAN

Note Ushio using the same modernization line as a resupply line was a running joke until it was updated with a new line
